

# Hasmonean High School For Boys

Part of The Hasmonean Multi-Academy Trust

This is not an ordinary prospectus.

But that's because we are not an ordinary school.

The dictionary defines a school as 'an institution where instruction is given, especially to persons under college age.'

We disagree.

Hasmonean is:

A school.

A foundation for life.

A family.

A place to grow.

At Hasmonean, students, staff, parents, governors and trustees are united in a common goal to foster the development of boys who will confidently live out Torah im Derech Eretz.

This is summed up in our value system

**H**onesty

**A**chievement

**S**ensitivity

**M**iddot

**O**ptimism

We will equip your sons to take their place in the world, proud and assured of their beliefs and heritage.

First class academic results and a broad extra-curricular programme.

At Hasmonean High School for Boys this comes as standard.

However, if we only offered this we would feel that we had failed.

We believe in giving our students the tools they need to build their future.

*“Our task is to fill ourselves with Hashem’s wisdom and His Torah. If we fill ourselves with everything of true value and worth and goodness, with matters relevant to humanity and to G-d, and do so willingly, then the world will cherish and honour us; we will be respected as trustworthy people, peace-loving people of good deeds, not in spite of the fact that we are Jewish, but rather because we are Jewish.”*

*Rabbi Samson Raphael Hirsch, major proponent of Torah Im Derech Eretz philosophy and architect of Torah Judaism for the Modern World*

וכל בניך למודי ה' ורב שלום בניך  
אל תקרי בניך אלא בוניך  
ברכות סד.

And all your children will be the students of Hashem,  
And your children will have peace.  
Do not read 'your children', but 'your builders'.

"All your children" emphasises the importance we place on challenging each and every

individual, highlighting the significant role that every child will play in building the future.

Geography Trip

We judge our success on the kinds of lives our students are leading long after they have left Hasmonean. We want them to graduate from Hasmonean to become community leaders and to make their mark on the wider world.

"I came to Hasmonean thinking that it would be a normal school, I was wrong. The year group is very friendly and welcoming and the teachers are very nice and are very easy to talk to. The food is great and everyone helps you."

"At first I was very nervous about joining Hasmonean, but now it feels like I have been here all my life. I have made so many new friends and I love my English, Spanish and Food Technology lessons."

"The school has so far given me many opportunities. I have been driven and pushed to do my best. When I go to school I feel that I am in a safe environment where I won't get hurt or bullied. I have made so many friends."
