

## How to get your results

### **Login Details for Bromcom VLE to Access Examination Timetables and Results**

Students should all have their login details for Bromcom Student Portal. If you are a first-time user with an Invitation Code, please go to **section B** (page 3), otherwise continue to **section A** (page 2).

If you cannot remember your username (which should be the same as your school one) or password but have previously set up your account details, please go to [www.bromcomvle.com](http://www.bromcomvle.com) and use the Forgotten Login Details link.

If you did not previously set up your account details or if the Forgotten Login Details link does not work, then you will need to email: [LFexams@hasmonean.co.uk](mailto:LFexams@hasmonean.co.uk) for a new Invitation Code and then follow the instructions in section B.

If you are going abroad, please check that you can log-in on your ipad or phone before you leave.
