### Statement of the School's Religious Nature

As a faith school, and in accordance with the School Admission Code, we prioritise Orthodox Jewish boys if the school is oversubscribed. Governors trust that parents who have chosen this school for their son have done so knowing it is an orthodox Jewish school and they hope parents will give their full support to its distinctive orthodox Jewish practices.

**OTHER INFORMATION**

The School Admission Code prioritises children who are in care under the provision of the Education (Admission of Looked After Children) (England) Regulations 2006. This includes formerly 'looked after' children who have been adopted or made subject to a residence or special guardianship order, as well as children who were in state care outside of England and ceased to be in state care as a result of being adopted. (Please refer to the school's Admissions Criteria for more details.) If you are applying under this provision please tick this box.

The School Admission Code prioritises children with an Education Health and Care Plan (EHCP). If you are applying under this provision please tick this box.
