

A Level Examination/ L3 BTEC/L3 WJEC FAQs Summer 2022

How were my/my child's grades arrived at this year?

Grades this summer were based on examination results, NEA (non-examination assessment) and BTEC/WJEC coursework.

What do I do if I am not happy with my/my child's grade?

All students have the opportunity to ask for a review of their overall grade. **It is important to note that a review may result in a grade being lowered, staying the same, or going up.** If a student puts in a review and their grade is lowered, they will receive the lower mark. If you are considering a review, please contact your examination officer to find out where your marks are in relation to the **grade boundaries** for each subject you are interested in.

Can I see a copy of my Script?

Yes, this service is free for AQA and Pearson, unless you want to see a copy of your script **AFTER** a review of marking has been completed. Details of the fees for WJEC are given below.

If you wish to see a photocopy of your script/the original, you should fill in form A (attached) on or after results day.

The deadline for asking for a priority copy of your script for **AQA is 1st September 2022**. If you would like to see your original script you can apply to AQA between 5th September 2022 – 29th September 2022.

The deadlines for **Pearson** are **29th September 2022** for an original copy (and a photocopy of a reviewed script) and **16th December 2022** for a photocopy.

The deadlines for WJEC are **1st September 2022** for priority access to scripts and **29th September 2022** for an electronic copy.

Are there any fees for Reviews this summer?

Yes. Details are available on the attached Form A.

What Different Types of Reviews are there?

There are three main types of reviews you can ask for after results day, as follows: -

- a) A clerical recheck-this just tells you whether the examiner added up the marks on your paper correctly. **The deadline is 29th September 2022.**
- b) A review of marking-this is where the examination board looks at whether they have applied the mark scheme correctly. **The deadline is 29th September 2022.**
- c) Priority reviews of marking-this is used where a university place is contingent on the grade you receive. **The deadline is 25th August 2022.**
